**George F. McCranie : Your Path To Freedom: Answers to Your Questions About Family Immigration** before purchasing it in order to gage whether or not it would be worth my time, and all praised Your Path To Freedom: Answers to Your Questions About Family Immigration:

In the United States, immigrants need help to understand their immigration options. As a result, I decided to write a book that is simple to read and easy to implement and hopefully will help to keep many families together by assisting them in obtaining their legal status. This book gives examples of many common mistakes that immigrants make and shines light on the consequences of those mistakes. It is a summary of the most important questions and answers that every immigrant should know in order to avoid deportation and avoid repeating the costly, and sometimes tragic, mistakes of others. There is a Path to Freedom and by reading this book you are putting yourself and your family on the legal path to happiness in the United States.
